

NATURAL STONE FLAGSTONE: IRREGULAR

Chilton Natural Stone Flagstone - Project Installed by Magnolia Landscape and Design

Transform your landscape into an extraordinary outdoor space with natural stone from Hedberg. Irregular flagstone brings durability and style to patios, stoops and walkways.

Natural Stone Flagstone varies in color, shape, and size due the properties of natural stone. What is pictured may not match our inventory exactly. The variance is what makes our products unique.

Not all selections are displayed or stocked at each location. Please call the Hedberg store you plan to visit to verify availability. Home delivery is available.
